The returns of the Fund shown for periods prior to its inception date are the returns of the predecessor, the Barrow Street Fund LP, an unregistered limited partnership managed by the portfolio managers of the Barrow Value Opportunity Fund (the "Predecessor Private Fund"). The Predecessor Private Fund was reorganized into Institutional Class shares on August 30, 2013 the date that the Value Opportunity Fund commenced operations. The Value Opportunity Fund has been managed in the same style and general strategy and by the same portfolio managers since the Predecessor Private Fund's inception on December 31, 2008. Please see page 3 for additional Important Information including the definitions of indices.

\*\*Barrow Street Advisors LLC (the "Adviser") has contractually agreed, until October 1, 2017, to waive Management Fees and reimburse Other Expenses to the extent necessary to limit total annual fund operating expenses to an amount not exceeding 1.15% shares of average daily net assets. Management Fee waivers and expense reimbursements by the Adviser are subject to repayment by the Value Opportunity Fund for a period of three years after such fees and expenses were incurred, provided that the repayments do not cause Total Annual Fund Operating Expenses to exceed the foregoing expense limitations. Prior to October 1, 2017 this agreement may not be modified or terminated without the approval of the Board of Trustees. This agreement will terminate automatically if the Value Opportunity Fund's investment advisory agreement with the Adviser is terminated.

**Mutual fund investing involves risk. Principal loss is possible. The Fund's investment objectives, risks, charges and expenses must be considered carefully before investing. The Value Opportunity Fund's investment goals, policies, guidelines and restrictions are, in all material respects, equivalent to the Predecessor Private Fund's investment goals, policies, guidelines and restrictions. The information shows the Predecessor Private Fund's annual returns and long-term performance reflecting the actual fees and expenses that were charged when the Value Opportunity Fund was a limited partnership. The prior performance is net of management fees and other expenses but does not include the effect of the performance fee which was in place until October 7, 2012. From its inception on December 31, 2008 through the date of this prospectus the Predecessor Private Fund was not subject to certain investment restrictions, diversification requirements and other restrictions of the Investment Company Act of 1940 as amended (the "1940 Act") or Subchapter M of the Internal Revenue Code of 1986 as amended, which, if they had been applicable, might have adversely affected the Value Opportunity Fund's performance.
